EB-1A Petition RFE Risk Assessment

Filename: sample_petition.txt

Generated QA Memo for Pre-Submission Review

Executive Summary

This report summarizes red flags detected in the petition draft, classified under EB-1A criteria. It includes excerpt patterns, severity ratings, improvement suggestions, and simulated reviewer notes.

Table of Contents

Risk Matrix

Section: Introduction

- ❗ Criterion 10 - Commercial Success → 'financial data is self-reported without verification'

  ↳ Found in: INA

  ↳ Severity: Low

  ↳ Suggestion: Consider strengthening this section with clearer and more credible evidence.

  🧠 Reviewer Note: This issue reflects a common reason USCIS may deny a case. Additional evidence or clarification is strongly advised.

- ❗ Common Denials → 'financial documentation does not demonstrate ability to pay the proffered wage'

  ↳ Found in: INA

  ↳ Severity: High

  ↳ Suggestion: Consider strengthening this section with clearer and more credible evidence.

  🧠 Reviewer Note: This issue reflects a common reason USCIS may deny a case. Additional evidence or clarification is strongly advised.

- ❗ Common Denials → 'no final merits determination required due to failure in initial criteria'

⤷ Found in: INA

⤷ Severity: Low

⤷ Suggestion: Consider strengthening this section with clearer and more credible evidence.

🧠 Reviewer Note: This issue reflects a common reason USCIS may deny a case. Additional evidence or clarification is strongly advised.
